Dear Colleagues,

We are pleased to announce the appointment of **Monica Staley** to the position of Regional Vice President, Cancer Services, Windsor Regional Hospital and Erie St. Clair Regional Cancer Program, Cancer Care Ontario.

Monica will be responsible for the cancer program and renal dialysis, both regional programs associated with Windsor Regional Hospital. In addition, Monica will continue to be the senior staff responsible for the Office of the Patient Representative and Risk Management.

As Regional Vice President, she will lead the program's Regional Cancer Centre, and Regional Cancer Program, working with physicians, hospitals, cancer service providers, and patient and community groups to plan and implement improvements to cancer services in the region.

Monica Staley began her career as a front line Registered Nurse, working at both Windsor Regional Hospital and the Tecumseh Urgent Care Centre. She was a consultant for the Paediatric Advanced Life Support (P.A.L.S.) and her interest in law lead to becoming a Medical Legal Consultant and Lawyer Associate with local law firms.

Monica expanded her career to become an Adjunct Professor at the Schulich School of Medicine and Dentistry and, in 2010, became the Director of Patient Relations/Legal Affairs for Windsor Regional Hospital. She is an accomplished leader with a track record of achieving outcomes in a complex, multidisciplinary healthcare environment. Monica is skilled in change leadership, project management and building partnerships. At the heart of everything Monica has done is the most important person in the healthcare system – the patient.

As a member of the Windsor Regional Hospital Executive Team, Monica will report directly to the President and CEO of Windsor Regional Hospital, David Musyj along with reporting to Cancer Care Ontario President and CEO, Michael Sherar.

Please join us in congratulating Monica Staley on her appointment.
