

# COMPASSION is our PASSION

Windsor Regional Hospital is one of the largest hospitals in the Province of Ontario, serving a population of 400,000 people in Windsor and Essex County. It is the regional provider of advanced care in areas that include Complex Trauma, Renal Dialysis, Cardiac Care, Stroke and Neurosurgery, Intensive Care, Acute Mental Health, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Regional Cancer Services and a broad range of medical and surgical services required to support these specialized areas.

The Rose and Gilda Meconi Surgical Pathology Laboratory at Windsor Regional Hospital is seeking a Pathologist with expertise in genitourinary pathology to join as a contract and incorporated medical practitioner. Our Dr. Richard Boyd Regional Comprehensive Men's Health Program was launched in 2014 and the successful candidate will be supported by advanced surgical and laboratory equipment and qualified pathologist assistants. In addition to working closely with a team of experienced GU surgeons, the individual will also share the routine anatomic pathology workload as one of eleven pathologists in the department, and participate in the Windsor Program of Schulich School of Medicine and Dentistry as a faculty member .

Required qualifications include RCPC certificate and unrestricted license to practice medicine in Ontario. Position will be available in January, 2017 and all interested pathologists are invited to submit curriculum vitae.

**We ask for electronic submissions only from interested individuals to:**

**Dr. Akram Elkeilani**
