

**The Board of Directors of TransForm Shared Service Organization
Invite Expressions of Interest**

Founded in 2013, TransForm provides a broad range of integrated services including IT/IM, Supply Chain, Clinical Transformation and Project Management to the five hospitals in the Erie St. Clair LHIN.

The five hospitals are the Members of this not-for-profit organization, and each appoints 1 Board Member. In addition, there are 4 non-hospital related Board Members and 1 Board Member appointed by the customer group. Non-director members also sit on the Audit, Finance and Resource Committee and the Quality Committee.

Joining the Board

At this time, the Board welcomes qualified candidates to apply, especially those with skills, knowledge and/or experience in the following areas: *Clinical Management, Quality and Patient Safety Management, Patient/Healthcare Advocacy and IT Security and Privacy* to sit on the Board of Directors. The Audit, Finance and Resource Committee also welcomes qualified candidates to apply to sit on the committee as a community representative.

Interested individuals are asked to submit a short bio and/or resume, along with a statement of interest in being on the Board or the Audit, Finance and Resource Committee to the Attention of Karen Montminy, Governance Coordinator at Karen.Montminy@TransformSSO.ca on or before Friday, May 8, 2015. Additional recruitment material will be sent to those candidates short-listed by the Selection Committee. Interviews are expected to take place the week of May 25, 2015.

At TransForm, we are committed to delivering exceptional service and creating new opportunities to improve value to the health system. Our Vision - to lead innovation and change to achieve health system transformation.
