

## The Ouellette Campus

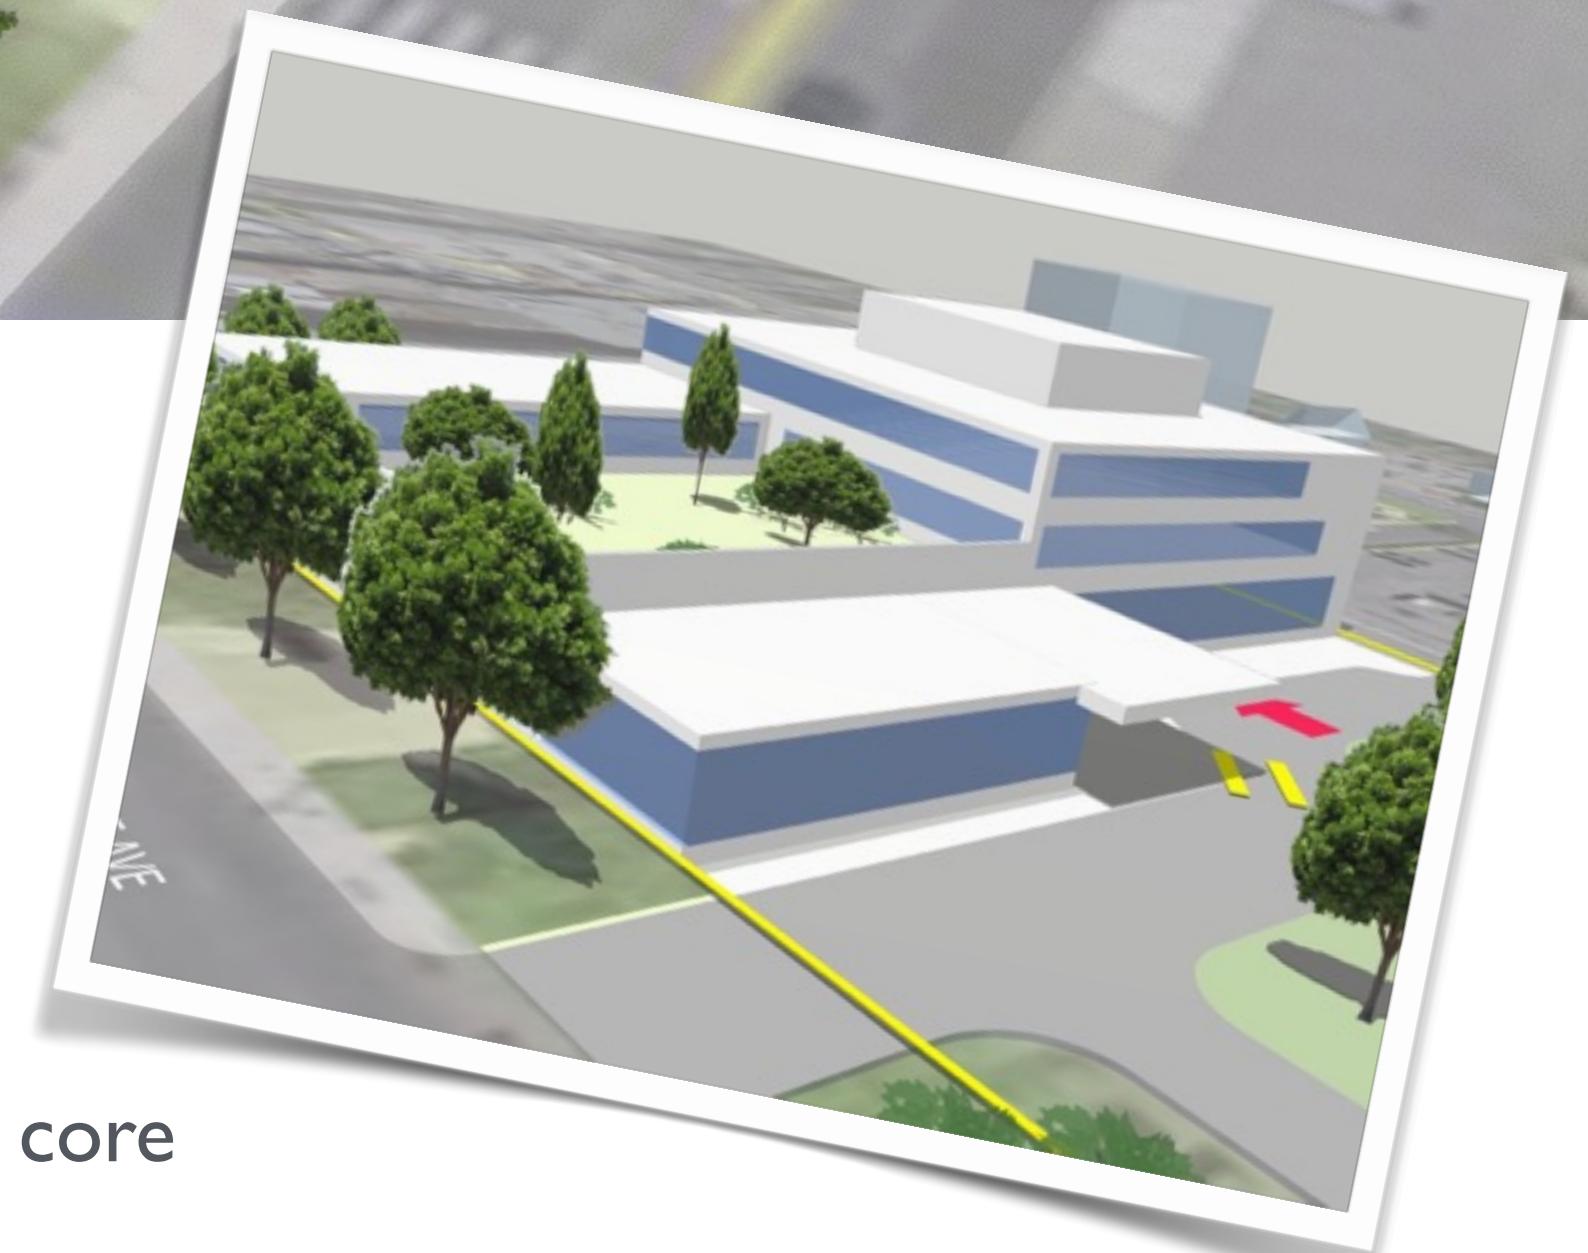

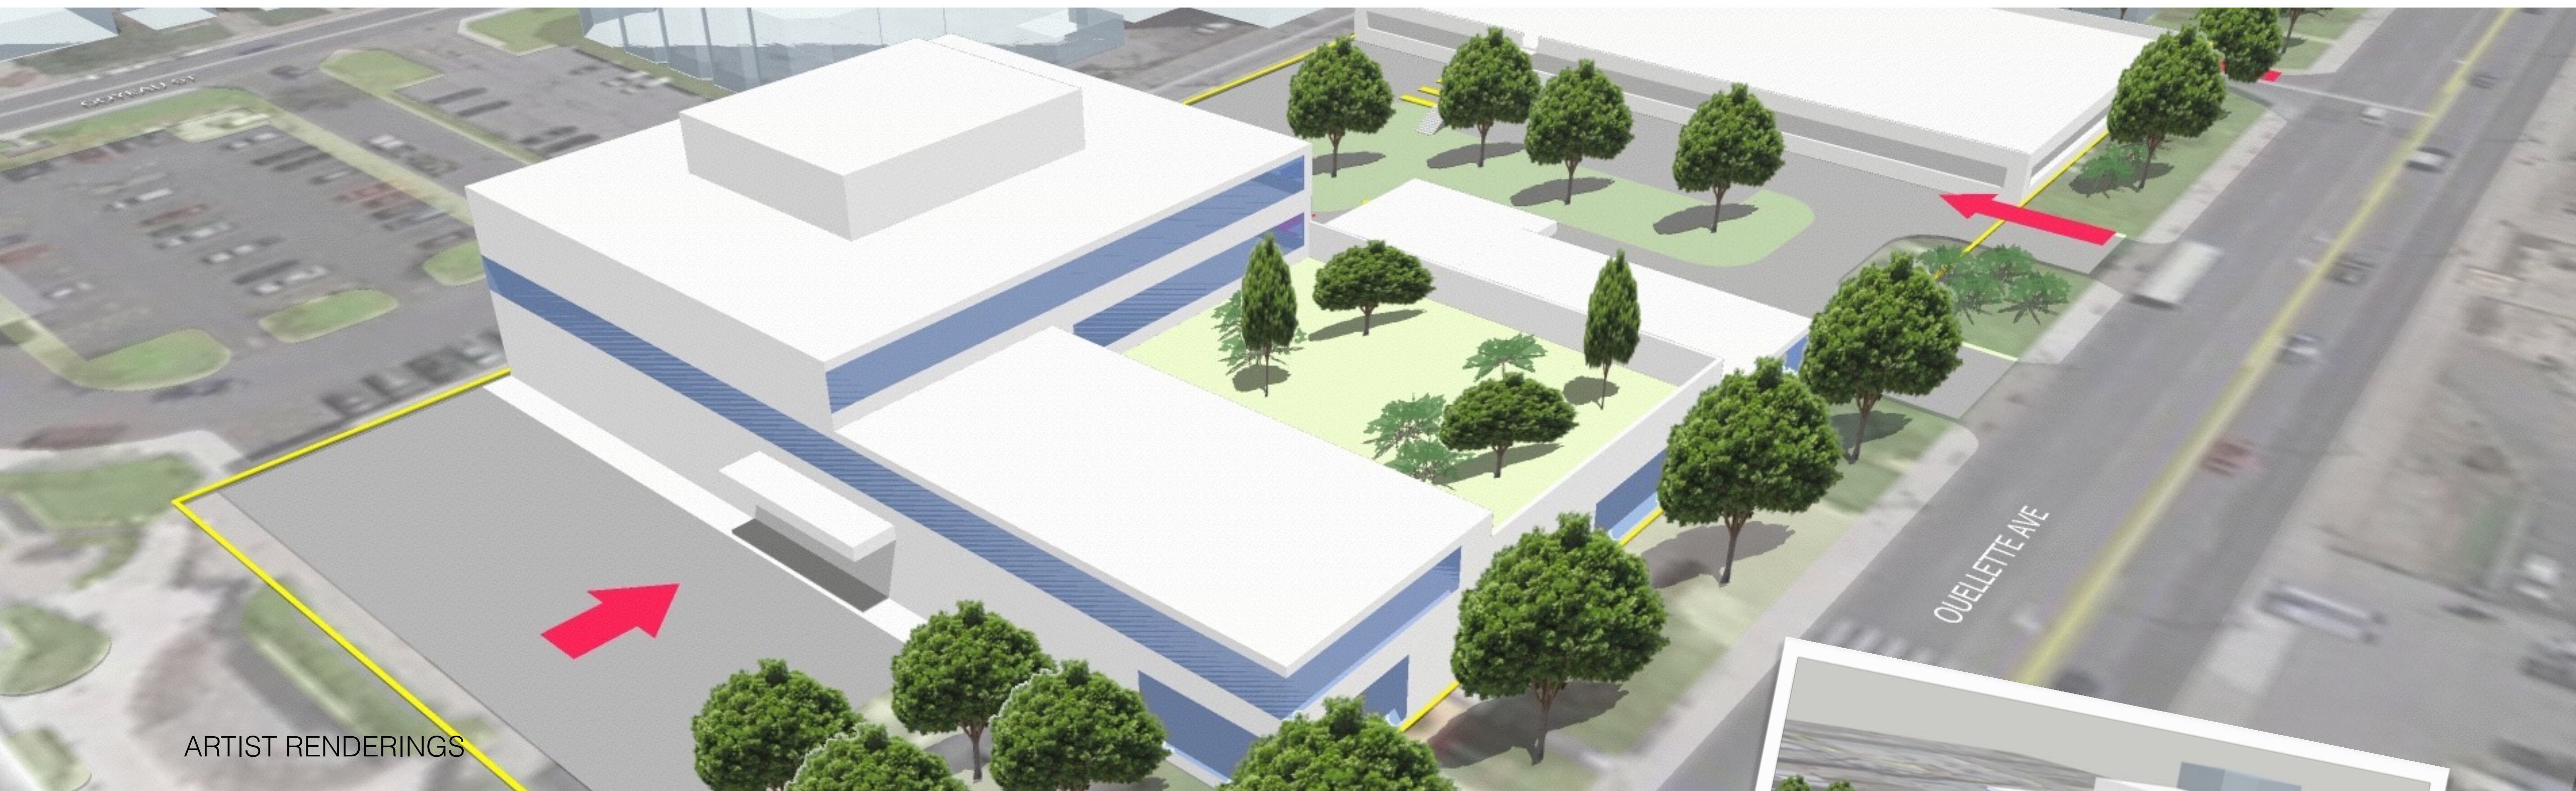

(Current site of WRH - Ouellette Campus)

1030 Ouellette Ave.

### THE PLAN:

- ▶ HDGH returns to this site and continues with traditional role of serving the region's most marginalized, disenfranchised and vulnerable populations
- ▶ Site is redeveloped to support outpatient mental health services currently offered at this site and the HDGH Transitional Stability Centre
- ▶ Chronic Disease Management

### **Benefits to patients and community:**

- ▶ Continued access to mental health services available in central location
- ▶ Relieves pressure on new Acute Care Hospital emergency department
- ▶ Creates a seamless flow through the mental health system for patients
- ▶ Opportunities to form new partnerships and create a hub of activity in Windsor's core

“

“The Ouellette site has a rich history to Windsor and specifically Hôtel-Dieu Grace. Catholic Health International is excited for Hôtel-Dieu Grace Healthcare to expand back to the downtown core to return to its mission of serving those in need”

**- Robert Stewart**

*President and CEO, Catholic Health International*
