

OUR VISION: Outstanding care —no Exceptions!

Be always at war with your vices, at peace with your neighbors, and let each new year find you a better man.

E-mail Free Days

December 22nd, 23rd and 24th will be e-mail free days for Windsor Regional Hospital. While technology assists all of us in communication, it does not replace face to face interaction and conversation. With the exception of urgent matters, please take this opportunity to speak with colleagues and associates to conduct hospital business.

Accreditation 2008 Wraps Up!

Congratulations to all those who participated and contributed to the 2008 Accreditation Canada process. The surveyors were on site from Nov. 30th - Dec 4th and their responses and recommendations were quite positive. In the early New Year WRH will be receiving our Forecast Report which will provide feedback, in more detail, about how various departments and services complied with the accreditation standards. The surveyor's debriefing PowerPoint presentation can be found in the Accreditation section on the Intranet site.
