- CORVETTE CLUB CAR SHOW

Innovation Deserves Honourable Mention

Congratulations to Allison Johnson, Manager of Communications with WRH for her program, Canswers Centre Live, receiving Honourable Mention in the Innovation category of the 2018 Quality and Innovation Awards, sponsored by the Cancer Quality Council of Ontario, Cancer Care Ontario and the Canadian Cancer Society-Ontario Division.

Canswers Centre Live has been airing monthly for over a year from the Cancer Centre Lobby and selected community locations. "Canswers Centre Live is a conversation," stated Allison. "This recognition and the success of the webcast, is because of each and every patient, survivor, staff member, family member or loved one who has participated in the LIVE discussion by asking questions, sharing experiences and offering advice."

Virginia McLaughlin, Chair, Cancer Quality Council of Ontario indicates that the Council applauds individuals such as Allison for their commitment to ongoing quality improvements, efforts and willingness to share innovative work and ideas with others.

Ronald McDonald House Windsor Celebrates 2nd Birthday

The uniqueness about the Ronald McDonald House at Windsor Regional Hospital is that it is the first of its kind within a hospital, located on 3 West at the Met Campus. Since in opening in May, 2016, it has served many local and regional families while their ill child received care.

Some of the most recent statistics indicate:

- 66% of families stayed last year to be close to their premature infants
- 224 families kept close to their seriously ill child
- 3,252 nights of comfort, with average stay of 14 nights received
- Longest stay by a family was 102 nights
- 150 families supported through Day Pass Program
- 9,052 total visits made by families with children in hospital for care
- 156 loads of laundry done
- 538 meals prepared and served
- 273 meals donated by restaurants
- 33 baking groups made fresh cookies, etc.
- and, thank you to the Heart volunteers for making 609 meals

Happy 2nd Birthday, Ronald McDonald House Windsor, you are one-of-a-kind!

To date in 2018, a total of nine measles cases have been reported in Canada, all cases were imported or import related. The last rubella case in Canada was reported in February 2016. Immunization is your first line of defense.

Schools Informed About Addictions And Mental Health Issues

Some of the most informed on addictions and mental health issues visited the Tecumseh Vista Academy and L'Essor Ecole Secondaire (L'Essor Secondary High School) recently and participated in panel presentations and discussions about addictions/recovery and mental health in our region.

Students heard from a First Responders Panel, Mental Health Panel, Addictions / Recovery Panel, followed by discussions and mindfulness exercises.

Dr. Raj Basker, Chief of Psychiatry for Windsor Regional Hospital took a leading role along with Karen Sinnaeve, Community Safety Officer to plan and participate in the event. Community experts from the Teen Health Centre; New Beginnings; Paragon Psychological Services, Early Intervention Programme, and WRH Mental Health Inpatient Manager, Heather Oneschuk, contributed to the topic. Gary McNamara, Mayor of Tecumseh, the Tecumseh Community Policing Committee and, Miss Canada assisted as well.

Hamid's Wish Comes True

The Make-A-Wish Foundation is there when children are battling a critical illness and much of their childhood is taken away from them. Families are exhausted, both emotionally and physically due to the challenge their child is experiencing.

Hamid, a sickle cell patient and his family are new immigrants to Windsor and receiving care in Paediatric Services. As a way to make Hamid's life a little better, Child Life Services worked with the Make-A-Wish Foundation to plan a special wish for Hamid. He was surprised when coming in for a client visit recently, being made an honorary doctor for the day and, going on a scavenger hunt to locate several electronic devices he did not have or could afford.

The end result was an array of gifts, such as a flat screen television, PS4 game, cell phone and more, made possible by the Make-A-Wish Foundation.

"A wish is something that gives children the opportunity to look outside their illness and restores a sense of childhood in them and some normalcy back into the family," stated Misha Medeiros, Officer with Wish Partnerships.

Photo above: Hamid and his mother with Misha and Brittany from Make-A-Wish Southern Ontario.

I'm Listening to You

Being in the hospital can be scary and confusing. Our patients and their loved ones have questions and are looking to us for answers.

Let's make sure we not only hear their words, but **listen to their concerns**.

The WRH Patient Experience Task Force reminds you that often, **it's the little things** that have the greatest impact.

Regional HIS Transformation Project

What is the Regional HIS Transformation Project?

The five hospitals in the Erie St. Clair (ESC) region – WRH, Hôtel-Dieu Grace Healthcare, Chatham-Kent Health Alliance, Erie Shores Healthcare and Bluewater Health - currently all operate their own hospital information systems (HIS). This project is about implementing a single, common HIS across the region so we are equipped with state-of-the-art technology to deliver high-quality, safe care to our patients.

Across Erie St. Clair, we are now collectively ready to work together and make this new system a reality.

Why are we doing this and why now?

Collectively, our technology is out-of-date and modern HIS solutions are key enablers to delivering safer, higher-quality care. This ESC clinical transformation will build upon the province's unified patient record strategy for the region, and create an all-around better experience for patients and staff alike. A regional approach to HIS is not only rooted in leading practice, but is also aligned with the mandate recently released by the provincial government which encourages hospitals to partner together and create shared HIS solutions – our Regional HIS Transformation Project is part of the vision for a more collaborative, coordinated, and connected health system across the province.

How will this impact my job?

The new system will change how some of us do our work, but comprehensive training efforts will be provided to ensure we are ready and prepared to hit the ground running.

When will I see changes to the systems in my hospital?

The first hospital go-live is expected to take place in Spring/Summer 2019, with the rest of the hospitals going live between then and the end of 2021.

What will this project be called?

A recent naming competition included 55 naming entries from across the region. Six have been short-listed and will be voted on at a large upcoming regional workshop that will include all five ESC LHIN hospitals as well as TransForm. Once the name is established look for more communications about this project over the weeks that follow.

Who do I contact if I have more questions?

If you have any questions or comments, please send them to HSInfo@transformssso.ca.

Michael's Art & Crafts Come Through Again

Thanks to Michael's Arts & Crafts Windsor outlet, approximately 1000 books were donated to Paediatric Child Life Services. The books are used as Treasure Box items, rewarding young patients for bravery during treatments and clinic visits.

Photo right: Michael's Arts and Crafts staff rolling out the books for Paediatric Services.

#RECIPEOFTHEWEEK

Curried Potato Salad

Makes 10 servings
Preparation: 15 min
Cooking Time: 15

INGREDIENTS

- 2½ pounds yellow or red potatoes, scrubbed and diced (½- to 1-inch)
- ¾ teaspoon salt, divided
- ½ cup mayonnaise
- ½ cup low-fat plain yogurt
- ¼ cup finely chopped onion
- 2 tablespoons Dijon mustard
- 2-3 teaspoons curry powder ½ teaspoon ground pepper
- 1 medium red bell pepper, chopped
- ¾ cup frozen peas, thawed

DIRECTIONS

Bring 1 to 2 inches of water to a boil in a large saucepan (or pot) fitted with a steamer basket. Add potatoes, cover and cook until tender, 12 to 15 minutes. Spread in a single layer on a rimmed baking sheet and sprinkle with ¼ teaspoon salt; let cool 15 minutes. Meanwhile, whisk mayonnaise, yogurt, onion, mustard, curry powder to taste, pepper and the remaining ½ teaspoon salt in a large bowl. Add the potatoes, bell pepper and peas; stir well to coat. Serve at room temperature or refrigerate until cold. Make Ahead Tip: Cover and refrigerate for up to 1 day.
