Important Town Hall Meetings to be Held April 3, 2009

There will be three opportunities to attend a Town Hall meeting on April 3, 2009—7 am, 10 am or 2:00 pm. The meetings will feature special guest, John Sexton, the former Director of Utilization Management at the Toronto East General Hospital. Patient Navigation and Utilization Management is a proactive, interdisciplinary team process in which a health care facility continually works towards maintaining and improving the quality of care through the effective and efficient use of resources. This will impact all clinical units/departments. Town Hall meetings will take place in the Auditorium at Met Campus or at Western Campus in Classroom C at 7 am and 10 am and the Admin Boardroom at 2 pm.

WRH Recognized for Being GREEN

Congratulations to Windsor Regional Hospital on winning **Enwin Utilities Green Start Award**. Since 2000, we have made significant upgrades to the Metropolitan Campus, allowing for an overall reduction of natural gas, water and energy consumption through increased energy efficiency. WRH programs save over 98,000 cubic metres of gas, 2.2 million litres of water and 6,000 kWh of electricity each year—this is a tremendous contribution towards a healthier environment for the people of Windsor – not just for today, but for generations to come!

WRH Golf League

The WRH Golf League will begin on April 23, 2009 for 20 weeks. This takes place at Fox Glen and is open to 48 golfers. The League meeting is set for Thursday April 2, 2009 at 5:00 pm at Fox Glen Golf Club (in the event that the course is not opened, the meeting will be April 9, 2009). All are welcome. This would be an excellent opportunity to pay your league fee and golf hole punch card. For more information contact Marilyn Either at ext. 76513.
