OUR VISION: Outstanding care—no Exceptions!

Pain is a message you don't have to answer. Rabbi Goldberg (Kids Kicking Cancer)

Windsor Regional Hospital Dragon Boat Teams Excel!

The International Dragon Boats for the Cure Festival held in Windsor July 10th to the 12th was a great success. Ten Windsor Regional Teams competed. **Congratulations** are extended to the following teams and their captains for raising over \$80,000 in support of the Breast Health Centre and Cancer Centre at WRH: Breast Defense, Fight Like a Girl!, Pharma C-Cups, Saving Second Base, The Rack Pack, We Labour for Life, Western Warriors, A Breast of Technology, The Big Kahunas and CEACupsCYWS.

Greenlight Laser

WRH has obtained revolutionary medical equipment called a 'Greenlight Laser System' that assists men experiencing prostate health issues. The Greenlight Laser allows the removal of problematic tissue as an outpatient procedure with less complications. This treatment has reduced hospital stays from the traditional method of up to 3.7 days to an outpatient same-day procedure. Two new Urologists, Dr. Tom Deklaj and Dr. Raj Goel, have joined the WRH team to assist in enhancing the Urology program.

'Running Miles' Introduces—Racing the Vine

Running Miles—the Running Clinic supporting WRH, will be hosting an event—**Racing the Vine** on September 19th, 2009 at D'Angelo Estate Winery. It will feature a festival of food and wine and entertainment as well as a 5km run and walk. Watch for more information on this exciting event that will support the 'Cornerstone of Caring' Campaign (Western Redevelopment Project). For more information on joining the clinic or about the upcoming event, call Kim Willis-More at ext. 52458.

Parking at the Met Campus

On several occasions recently mothers with babies or infants have been unable to park in the lot assigned to them because it has been occupied by staff members. This is a reminder that at no time, under any circumstances, is it acceptable for a staff member to park in the lot. Security Guards and staff will again be monitoring this situation. Please be respectful of patients and their families by leaving this lot open for newborns and infants.

Walk with your Doc!

Transition to Betterness (T2B) is pleased to present "Walk with Your Doc" on Sunday, August 30th, 2009. Local physicians, their patients and friends are invited to walk in support of T2B initiatives. The event takes place on the Ganatchio Trail. A minimum pledge of \$20 per person is required. To receive a pledge sheet, call 519-944-5143.

Did you know?

The Windsor Regional Hospital O.R. Shutdown will take place July 27th through August 9th inclusive.
