We have already received an NQI award of excellence for Healthy Workplace and have now applied for this Quality award. Many thanks to all those staff who are participating in focus groups throughout these two days.

Signage

Staff are asked to refrain from hanging signage with tape and other adhesives to walls. This type of signage can ruin paint. Speak to your manager if a need for additional signage is required in your area.

Physiotherapy

The Physiotherapy Department would like to thank everyone who participated in this year's Physiotherapy Month activities. Our display board and plant sale were a huge success as evidenced by the number of flyers and information pamphlets picked up as well as the \$1097.30 generated for our equipment fund. Congratulations to the following winners who stopped by to fill out a ballot: Western Campus-Toni Taylor-Baltzer (yoga mat) and Samantha S. (sports bottle) Met Campus-Joan Feurth (yoga mat) and Brenda Makulski (bag and pens).
