Resident Awareness Day

Resident Awareness Day is scheduled this year for February 24, 2010. The province-wide event sponsored locally by the Schulich School of Medicine & Dentistry takes place at all hospitals where residents are involved with the provision of patient care. There will be a booth at the Met Campus of Windsor Regional Hospital staffed by residents on this day—please stop by to learn more.

Safer Health Care Now!

Kudos to Windsor Regional Hospital for a recent mention in the **Safer Health Care Now** February Newsletter. WRH was cited for having seven months without a case of VAP (Ventilator Associated Pneumonia) from March through to September. This is positive and encouraging results that reflect on our quality of care. Kudos to all.

Pasta Dinner

Tickets are now on sale for a Pasta Dinner at Place Concorde on Tuesday, February 23, 2010 in support of the Windsor Regional Hospital Foundation. Hats “Off” to WRH staff

Many thanks to all staff who participated in “Hats On” on February 10th, 2010—over 120 local companies, organizations and schools took part and raised monies for the WRH Foundation. It was especially gratifying for volunteers to see our staff embrace and participate. Hats Off to all who donned a hat, contributed and joined in the fun. It was truly appreciated.
