Lab Week 2011

The Integrated Laboratories of Windsor Essex (HDGH, WRH and LDMH) decided to do something different this year to help celebrate Medical Laboratory Week. Recognizing that the month of May is “Hunger Awareness Month”, they decided to hold a can drive at each site in support of local food banks. Dana Wasilewski from the Laboratory volunteered to organize and collect the donations. In total, the Laboratory staff at Windsor Regional Hospital made a donation of \$100 in cash and numerous canned goods to the Windsor Downtown Mission. Way to go Lab Staff!!!!
