Undercover Boss Unveiled

For some time, President and CEO, David Musyj has been given the opportunity to work with WRH employees to learn more about various disciplines and jobs within the Hospital. To date he has visited over 40 areas and continues to do so on a regular basis. The concept was based loosely on a reality TV show and recently the Windsor Star published a story. The purpose of “Undercover Boss” is to give him the opportunity to “walk in the shoes” of a staff person if only for a short time. If you want the CEO or other member of the WRH Executive Committee to work ‘undercover’ in your area—contact Dawn Sutherland at ext. 52517 or dawn_sutherland@wrh.on.ca.
