## Windsor Regional Hospital Cancer Program Receives Prestigious Cancer Care Ontario Human Touch Award

Congratulations to Pam Lalonde, Cancer Care Ontario's 2012 Human Touch Award Winner. This is the sixth year for the Human Touch Awards, sponsored by the Canadian Cancer Society and RBC. The awards were designed to recognize health care professionals, providers and volunteers in the cancer system who demonstrate exemplary and compassionate patient care. Pam, a Registration Clerk at the Cancer Centre, was one of only six recipients from across the Province. She was recognized for being our Cancer Program 'Ambassador', knowing each person and making a difference in their experience. She touches the lives of all our cancer patients in a way that makes their cancer experience better.
