

Worry is like a rocking chair, it will give you something to do, but it won't get you anywhere. ~ Unknown

Windsor Hospitals Realignment Work Continues

The Steering Committee and Hospital Boards have adopted an “Interim Operating Model” pending the design and operation of the new state-of-the-art acute care hospital. It must be emphasized that no date has been established for the implementation of the interim operating model. The Interim Model that has now been adopted by the Steering Committee and Hospital Boards is:

1. **All** programs and services currently located at the Metropolitan and Ouellette Site will be governed, managed and operated by Windsor Regional Hospital;
2. **All** programs and services currently located at the Tayfour Site and related to the programs and services on that site will be governed, managed and operated by Hôtel-Dieu Grace Hospital. A date to transition to this Interim Operating Model has not been set.

Lifelong Stories – Preserving Memories for Bereaved Families

Lifelong stories is a way for families to remember their loved ones, with a 30 minute video featuring a person telling their loved ones their own special story. The story can be childhood memories and things they want their family to know or remember. The Lifelong Stories company was created by Kimberly Juras, a local CBC Journalist who lost her husband to brain cancer, as a way to create help others going through grief when a loved one passes away. For more information, visit www.lifelongstories.com, or call Kimberly Juras at 519-980-3554.

Did you know?

There is growing evidence that throwing pharmaceuticals (prescription drugs and non-prescription/over-the-counter drugs) and other personal care products in the garbage, or flushing them down the toilet or the sink is harmful to the environment. Consider taking old./unneeded meds back to your Pharmacy.
