

## **ANESTHESIA - FULL TIME OPPORTUNITIES**

The Department of Anesthesia at Windsor Regional Hospital is currently recruiting two full time Anesthesiologists to join its team!

Windsor Regional Hospital's Anesthesiologist group covers 22 operating rooms spanning two acute care sites and delivers a broad range of medical care from preoperative anesthesia assessment to advanced service in many perioperative settings. The group supports the subspecialties of Neurosurgery, Vascular, Thoracic, Oral & Maxillofacial, General, Orthopaedics, Otolaryngology, Urology, Plastics and Obstetrics/Gynecology. Close to 30 000 surgical procedures are done each year as well as approximately 3800 births.

Anesthesiologists have the opportunity to educate and mentor residents from the Schulich School of Medicine and Dentistry, with members holding a University appointment.

Windsor Regional Hospital is a multi-faceted health services organization providing specialized services for more than 400 000 people in Windsor and Essex County.

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

Applicants must be certified, or eligible for certification, by the Royal College of Physicians and Surgeons of Canada and hold, or be able to obtain, an Ontario independent license with the College of Physicians and Surgeons of Ontario.

Payment is fee-for-service with call stipend.

Interested applicants can submit their CV and statement of interest to:

Dr. Americo Liolli, Chief, Department of Anesthesia, Windsor Regional Hospital  
c/o Renée Sperduti, Program Assistant, Recruitment, WRH
