

## **Pathologist - Department of Laboratory Medicine**

As the result of a retirement vacancy, The Department of Laboratory Medicine invites applications for a full-time General or Anatomical Pathologist. The successful candidate will join our collegial group of 10 pathologists beginning January 2022 (with a flexible start date). Subspecialty training Fellowship in any area of surgical pathology would be considered an asset. Windsor Regional Hospital affiliated with the Schulich School of Medicine & Dentistry, Western University (Windsor Program) and we encourage faculty appointment. This affiliation will provide the preferred candidate the opportunity to pursue scholarly activities.

### **About Windsor Regional Hospital**

Windsor Regional Hospital (WRH) offers the opportunity for a fantastic career in an award winning health care facility. WRH is a multi-site health service organization providing Acute Medical and Surgical Services including Renal, Trauma, Emergency, Family Birthing Centre, Neonatal Intensive Care, Paediatric Services, Critical Care (ICU/CCU), Regional Cancer Services (Inpatient Oncology, Windsor Regional Cancer Centre, Breast Health Centre), Neurosciences and Mental Health Services to 400,000 people in Windsor and Essex County. WRH provides Acute Care Services with over 600-beds on our multi-site locations.

### **About Windsor and Essex County**

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such a golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community

### **Qualifications**

- Eligible applicants must hold FRCPC certification or its equivalence in either Anatomic or General Pathology and eligible for unrestricted license to practice Medicine in Ontario.
- Willingness to take on an active role in the medical education of students and residents
