

CHILI

This classic chili is perfect for a weeknight meal because it can be made in minutes. The only thing to chop is an onion. It's so comforting too!

DIRECTIONS:

1. Add the olive oil to a large soup pot and place it over medium-high heat for two minutes. Add the onion. Cook for 5 minutes, stirring occasionally.
2. Add the ground beef to the pot. Break it apart with a wooden spoon. Cook for 6-7 minutes, until the beef is browned, stirring occasionally.
3. Add the chili powder, cumin, sugar, tomato paste, garlic powder, salt, pepper, and optional cayenne. Stir until well combined.
4. Add the broth, diced tomatoes (with their juice), drained beans, and tomato sauce. Stir well.
5. Bring the liquid to a low boil. Then, reduce the heat (low to medium-low) to gently simmer the chili, uncovered, for 20-25 minutes, stirring occasionally.
6. Remove the pot from the heat. Let the chili rest for 5-10 minutes before serving.

Notes:

I typically skip the cayenne pepper because I have a young kiddo. Then, I put out some hot sauce for those adults that want to add some spiciness to their chili.
