During the Notice Period the VP shall have a positive obligation to mitigate the amounts taking all reasonable steps to find reasonable employment (including consulting and contract work) and if such mitigation occurs, a lump sum payment in the amount equal to one-half of the remaining Notice Period shall occur.

These payments will be made, less required statutory deductions, and are inclusive of the Hospital's obligations to give "notice of termination" in accordance with the Employment Standards Act, 2000, and any other severance or termination obligations thereunder.

- 11.4 The VP agrees to accept the pay-in-lieu of notice as set out in section 11.3 above in full and final settlement of all amounts owing to her by the Hospital on termination, including any payment in lieu of notice of termination, entitlement of the VP under any applicable statute and any rights that the VP may have at common law, and the VP waives any claim to any other payment or benefits from the Hospital and agrees that she will sign a release in a form satisfactory to the Hospital to this effect.

 - (f) Willful neglect of the duties assigned to the VP pursuant to the provisions of this Agreement, including compliance with applicable legislation, including but not limited to the Public Hospitals Act (Ontario); or
 - (g) If the VP becomes insolvent and unable to pay her debts in full, or files an assignment in bankruptcy or is adjudicated a bankrupt.
- 11.6 (a) It is understood that, if termination occurs pursuant to sections 11.1 or 11.3, all benefits shall terminate at the end of the month of termination.
- (b) (i) Upon termination of this Agreement for any reason, the VP acknowledges that all items of any kind created or used by her pursuant to her employment or furnished by the Hospital to her including, but not limited to, any motor vehicles, equipment, books, records, credit cards, reports, files, diskettes, manuals, literature, confidential information, or other materials shall remain and be considered the exclusive property of the Hospital at all times, and shall be surrendered to the VP of the Hospital, in good condition, promptly without being requested to do so.
- 11.7 The VP hereby acknowledges and agrees that she will not be constructively dismissed in the event of a government mandated restructuring of the healthcare system that results in the Hospital's operations being assumed by a regional health authority, a local health integration network or other organization provided the restructuring does not materially affect the VP's responsibilities (e.g. may be a site administrator) and there is no decrease in the VP's salary or benefits.

13.3 The VP shall not disclose Confidential Information to any person or use any Confidential Information (other than as necessary in carrying out his duties on behalf of the Hospital) at any time during or subsequent to her period of employment without first obtaining the consent of the VP, and the VP shall take all reasonable precautions to prevent inadvertent disclosure of any such Confidential Information.

13.4 Within five (5) days after the termination of the VP's employment by the Hospital for any reason, or of receipt by the VP or a written request from the Hospital, the VP shall promptly deliver to the Hospital all property belonging to the Hospital, including without limitation all Confidential Information (in whatever form) that is in the VP's possession or under the VP's control.
