## Motor City Community Credit Union announces FLEX chequing accounts.

*For Immediate Release*

Windsor, ON – April, 2017 – Today, the introduction of Flex chequing accounts offers added benefits for all current members and anyone looking for better banking solutions. **FreeFlex**, our new no fee account requires **no minimum balance** to enjoy the benefits of FREE chequing, whether online or in-branch. **Flex+** offers premium features you need that won't break the bank. **Flex62+** is exclusive to members who are 62 years or older and offers premium features, for FREE. Additionally, our new **YouthSave** account offers an unheard of 2% interest rate on the first \$10,000 for anyone younger than 18. This account encourages youth to save for their future.

Motor City Community Credit Union is also launching two new exciting features complementing our new accounts. **Open Anywhere** allows anyone to open an account and become a member from anywhere. **ClickSWITCH** enables new and existing members to leave the big bank behind by switching your automatic payments and direct deposits with the click of a mouse. With nothing to hide and no fine print, Motor City offers these new accounts and new features beginning Monday, April 3, 2017. **Visit any branch today or [mcccu.com](http://mcccu.com).**

### About Motor City Community Credit Union

For over 75 years, Motor City Community Credit Union has provided full financial services to Windsor and Essex County. Truly, a credit union built from the ground up beginning with Printers Industrial Credit Union in 1938, MCCCCU has stayed true to the values of co-operative banking and the credit union system in our community and continues to grow and service over 13,000 members with technology, products and services our members have come to expect. Local decision-making and putting people before profits remains a priority for Motor City Community Credit Union, now and into the future.
