

**WINDSOR REGIONAL HOSPITAL**  
**OUTSTANDING CARE – NO EXCEPTIONS!**

**PATIENT INFORMATION SHEET**  
**SURGICAL SITE INFECTION SURVEILLANCE**

The Infection Control Department of your local hospital needs to track infections that occur after a patient leaves the hospital.

The information obtained will be used to evaluate the effectiveness of care and services provided at the hospital.

Patients and health care providers are asked to report infections seen outside their hospital stay. Confidentiality will be maintained with in your care team.

Please complete the **NOTIFICATION OF A POSSIBLE SURGICAL SITE INFECTION FORM**.

**Complete all information possible and mail or fax to:**

**Patients:** Windsor Regional Hospital, 1995 Lens Avenue, Windsor, Ontario, N8X 1L9  
Attention: Infection Prevention & Control Department  
Fax: 519-985-2637

**CCAC:** For CCAC service providers, please fax your local office.

It can also be given to you surgeon at your scheduled post-operative visit and he will see to it that it is forwarded to the Infection Control Office.

Thank you in advance for your anticipated support.
