

Your feedback is important to us.

Your suggestions and comments help guide us in achieving our vision of Outstanding Care – No Exceptions! We invite you to share any care concerns that you or a loved one may have, with our Patient Representative, Bradie Cox at Windsor Regional Hospital Met Campus or Angela D'Alessandro, Director, Patient Advocacy at the Ouellette Campus.

Bradie and Angela are available to assist with any issues dealing with the delivery of services at the Metropolitan and Ouellette Campuses. Any patient/client/resident, family or staff member can request these services to assist with problem solving or advocating and Bradie or Angela will meet with you to discuss your issue.

We hope you can resolve any concerns you have with our staff. However, if you need further assistance, please contact:
