Introducing the Proposed Windsor-Essex Hospitals System
A collaborative and local plan for the future of local healthcare

WINDSOR, ON - The Program and Services Steering Committee, which is overseeing the transformation of healthcare services in our community - including the construction of a new state-of-the-art hospital - has released a proposed plan for the future of local healthcare.

The Erie St. Clair LHIN will now work with the Ministry of Health and Long-Term Care to review and evaluate this plan. Ministry approval is required before proceeding with the plan.

Please visit www.windsorhospitals.ca for a detailed outline of the plan, or watch [the Official Windsor-Essex Hospitals Systems Announcement video](#).
