- 411 new cases were reported today in Ontario, bringing the cumulative total to 6,648 (this includes 2,858 resolved cases and 253 deaths).
- In Ontario, a total of 96,321 people have been tested, with tests performed at Public Health Ontario Laboratories and non-Public Health Laboratories. There are currently 1,517 tests under investigation.
- 691 patients are currently hospitalized with COVID-19; 257 are in ICU; and 215 are in ICU on a ventilator.

Actions Taken:

- The Ontario government has [extended](#) all emergency orders that have been put in place to-date under s.7.0.2 (4) of the *Emergency Management and Civil Protection Act* [until April 23, 2020](#), including the closure of outdoor amenities in parks and recreational areas, non-essential workplaces, public places and bars and restaurants, along with restrictions on social gatherings and the prohibition of price gouging. In addition, new measures have been introduced to address surge capacity in retirement homes, restrict recreational camping on Crown land, and allow the repurposing of existing buildings and temporary structures.
- The Ontario government is [temporarily preventing child care centres from collecting payments](#) from parents, while also ensuring that their child care spaces are protected. Child care centres, with the exception of those accommodating health care and other frontline workers, were ordered closed to help prevent the spread of the virus and keep the children and child care staff safe.
