|---|------------------|-----------------------|----------------|-----------------------|
| Area                                      | Case count       | Change from yesterday | Deaths         | Change from yesterday |
| <b>Worldwide total</b>                    | <b>3,017,980</b> | <b>+77,010</b>        | <b>207,722</b> | <b>+3,902</b>         |
| <b>Europe</b>                             | 1,295,274        | +30,902               | 122,461        | +1,932                |
| <b>China</b>                              | 82,830           | +03                   | 4,633          | +01                   |
| <b>Middle East</b>                        | 272,296          | +4,840                | 9,271          | +202                  |
| <b>Asia &amp; Oceania</b>                 | 130,631          | +4,078                | 3,607          | +132                  |
| <b>Africa</b>                             | 32,733           | +883                  | 1,427          | +36                   |
| <b>Latin America and Caribbean</b>        | 169,999          | +8,337                | 8,348          | +354                  |
| <b>North America</b>                      | 1,034,217        | +27,967               | 57,975         | +1,245                |
| <b>United States</b>                      | 987,322          | +26,426               | 55,415         | +1,150                |
| <b>Canada</b>                             | 46,895           | +1,541                | 2,560          | +95                   |

- 424 new cases were reported today in Ontario, bringing the cumulative total to 14,856 (this includes 8,525 resolved cases and 892 deaths).
- In Ontario, a total of 242,188 tests have been completed, with tests performed at Public Health Ontario Laboratories and non-Public Health Laboratories. There are currently 5,001 tests under investigation.
- 945 patients are currently hospitalized with COVID-19; 241 are in ICU; and 191 are in ICU on a ventilator.

## Actions Taken:

- Friday's Command Table memo is included in today's Situation Report.
- Today, the [Ontario government](#) released [A Framework for Reopening our Province](#), which outlines the criteria Ontario's Chief Medical Officer of Health and health experts will use to advise the government on the loosening of emergency measures, as well as guiding principles for the safe, gradual reopening of businesses, services and public spaces.
- An amended Primary Care Provider Guidance document is attached. The amended document makes reference to the 'COVID-19 Patient Screening Guidance Document' under active screening, and clarifies that the case definition is primarily meant for public health surveillance purposes.
- An updated screening tool for Long-Term Care Homes and Retirement Homes has been uploaded to the [website](#).
