- In Ontario, there are 14 persons under investigation with lab results pending.
- Ontario announced a new presumed positive case today in a woman in her 60s who had recent travel to Iran. Case and contact management is ongoing to determine potential exposures to this case.
- To date, there are no COVID-19 positive cases among the repatriated Canadians from Wuhan currently under quarantine at CFB Trenton or NAV Centre.

##### Actions Taken:

- The attached case definition for COVID-19 (see below) is updated with new regions of the world where community transmission is ongoing. The French translation is underway. The attached map (see below) illustrates the impacted areas reflected in the updated case definition.
- The ministry continues to work with federal and local partners to support the remaining repatriated citizens at the NAV Centre.
- Planning continues with federal and local partners to manage travellers from the Diamond Princess who did not return to Canada on the repatriation flight.

##### Next Steps:

- The ministry is updating guidance documents and will distribute them once they are complete.
- The ministry will work with and support local partners and the federal government regarding repatriated citizens.
- The ministry continues to work with health system partners to understand their needs with respect to personal protective equipment and other supplies.
