- In Ontario, a total of 765,501 tests have been completed, with tests performed at Public Health Ontario Laboratories and non-Public Health Laboratories. There are currently 11,636 tests under investigation.
- 791 patients are currently hospitalized with COVID-19; 127 are in ICU; and 92 are in ICU on a ventilator.

Actions Taken:

- The [website](#) for temporary pandemic pay has been updated with more information on the implementation of the program.
- In consultation with the Chief Medical Officer of Health, [Ontario](#) has extended the provincial Declaration of Emergency to [June 30](#). The decision supports the government's efforts to respond to the COVID-19 outbreak and protect the health and safety of Ontarians as the province reopens in a measured and responsible way. The extension, under s.7.0.7 of the Emergency Management and Civil Protection Act, was approved by the Ontario legislature yesterday.
