Actions Taken:

- Ministry reminds organizations in the health system that:
 - all employees who have travelled outside of Canada should self-isolate for a period of 14 days starting from their arrival in Ontario
 - health care workers should not attend work if they are sick
 - if are particular workers who are deemed critical, by all parties, to continued operations of an organization, these groups should undergo regular screening, use of appropriate PPE and active self-monitoring.
- Ontario has issued a temporary [order](#) that would give hospitals the ability to cancel and postpone services to free-up space and valuable staff, identify staffing priorities, and develop, modify and implement redeployment plans.
- Ontario has launched a [website](#) to act as a central point for businesses and organizations who can supply emergency products and innovative solutions to support our response to Covid-19.
- Ontario has [announced](#) that some child care centres will open to enable health care and other frontline workers, including doctors, nurses, paramedics, firefighters, police, and correctional officers.
