## Actions Taken

- The Ontario government [announced](#) easing restrictions on retail stores and essential construction during COVID-19. The Ontario government is allowing all retail stores with a street entrance to provide curbside pickup and delivery, as well as in-store payment and purchases at garden centres, nurseries, hardware stores and safety supply stores. The business owners should review the health and safety guidelines developed by the province and its health and safety association partners.
- The Ontario government launched a new website today on pandemic pay. It can be accessed [here](#).
