Update

- New COVID-19 Precautions at Long-Term Care Homes. The province has updated its visitor policy to address areas where there is higher community spread of COVID-19. Starting Wednesday, October 7, 2020, general visitors will not be allowed in long-term care homes in the following communities. Only essential visitors, including up to one caregiver per resident, will be allowed to visit. If the home is experiencing an outbreak of COVID-19 the local public health unit will provide direction on further visitor restrictions and other measures.
- The policy long-term care homes must follow to protect residents, staff and visitors has been updated and is available on the Ontario government website.
- For more information about cases and deaths in Ontario over the course of this pandemic, and for breakdowns by region, age, and sex, please view the Ontario COVID-19 Data Tool by Public Health Ontario.
