Update

- In order to preserve system capacity to deal effectively with COVID-19, CMOH Directive #2 has been updated and requires all non-emergent and non-urgent surgeries and procedures to cease, with the exception of surgeries and procedures performed in pediatric specialty hospitals. Emergent and urgent surgeries will not be impacted. All patients should continue to have access to other health services, including services that are peripheral to surgical services. The updated Directive #2 will be available shortly on the Ministry's website.
- A memo regarding AstraZeneca COVID-19 Vaccine is attached.
- Select Ontario Pharmacies Offering 24/7 COVID-19 Vaccinations. The Ontario government, in collaboration with Shoppers Drug Mart, will offer 24/7 COVID-19 vaccinations for individuals aged 40 and over at 20 pharmacy locations, with the majority located in hot spot communities.
