TOGETHER  
*we stay*  
STRONG

The Windsor Regional Hospital Foundation raises vital funds to enhance patient care by supporting the need for medical equipment, educational opportunities, and capital projects for Windsor Regional Hospital.

The Circle of Care Annual Giving Campaign runs every fall and challenges the Windsor Regional Hospital family to take their involvement beyond their day-to-day contributions and consider investing in the future of healthcare for our community.

Your donation will directly help patients and families through their healthcare journey at Windsor Regional Hospital. Your support allows us to provide Outstanding Care – No Exceptions!

## Message from the Campaign Chair

My name is Beth Ann Prince and it is my honour to serve as Chair of the Windsor Regional Hospital Foundation.

The Covid-19 pandemic has presented many new challenges for our hospital and our community, but at every turn, Windsor Regional Hospital staff and volunteers been stepped up and proven that they're always willing to do what it takes to ensure we are providing **OUTSTANDING CARE - NO EXCEPTIONS** to Windsor-Essex.

**THANK YOU**, for continuously going above and beyond to keep our community safe and healthy.

We hope you will consider pledging or re-pledging your support to the 2022 Circle of Care Campaign. Our 2021 campaign helped raise significant funds to support lifesaving equipment purchases across the hospital as well as research initiatives and tuition costs. Last year's campaign raised over \$100,000!

Donations can be made through payroll deduction or by making a one-time gift. You can designate your donation directly to your department, a care area near to your heart, or to the New Hospital project to invest in the future of healthcare in our region.

Thank you for being a part of our Circle of Care family. Every contribution to our Campaign improves the care **YOU** provide at Windsor Regional Hospital.

**Beth Ann Prince**

WRH Foundation Board Chair

# 2021 Circle of Care Highlights

- **Warming Cabinet:** \$5,273. Warming cabinet purchased for the Ouellette Medicine Unit to warm blankets for patients to help regulate their internal temperatures.
- **Uterofiberscope:** \$63,363. A videoscope purchased for the Met Operating Room – Urology Service which allows diagnosis with a larger brighter image.
- **Perfusors:** \$20,166. Purchased for the Paediatric and NICU departments, a Perfusor is a syringe infusion pump that can be used to configure customized, tailor-made solutions as individual pumps, small therapy units, or a complex infusion system. The configuration of the pump provides a user-friendly solution to complex therapies, integrating all clinical areas into one system.
- **Upright Freezers:** \$33,541. 2 purchased for Pharmacy to store Covid-19 Vaccines.
- **Research & Tuition:** \$250,000. Annually the Foundation donates \$100,000 towards research initiatives conducted at WRH and \$150,000 towards tuition assistance to provide further learning opportunities for staff.
