Warming Cap for New Born Babies Patterns

The cap is quick and simple to make up so you can use up odds and ends that you may already have.

Pink and blue are traditional, but any color baby yarn is fine.

To make the pattern more interesting, you may add stripes, fancy stitches or Fair Isle designs.

Do not add a pom pom, ribbons or strings.

Use baby yarns such as Bernat Softee Baby; TLC Baby Yarn or any other fine baby yarn.

Use 4 mm, 3mm, or 2.5 mm needles depending on your tension.
