Registered Nurse, Ambulatory

Message from the Campaign Chair

As a nurse, I've worked at Windsor Regional Hospital for over 40 years in various departments. On a daily basis, I witness our dedicated staff provide outstanding care to our patients. Day-in and day-out, I also see how important it is to equip our staff with new and enhanced equipment.

Friends, I was thrilled to be asked to Chair the 2020 Windsor Regional Hospital Family Giving Campaign. No matter the area of the hospital, new equipment is always needed. That's why I give.

Over the last 12 years, our participation has raised almost \$900,000 to ensure our patients receive the best possible care. This coming year, Windsor Regional Hospital Foundation is hoping to hit \$1M in total funds raised through our Family Giving Campaign for lifesaving medical equipment.

Regardless of your involvement in the hospital, you are part of our family, and every contribution to our Family Giving Campaign makes a difference to the care we provide.

Thank you for supporting OUR Windsor Regional Hospital.
